Thank you for your interest in being a counselor at camp. Every year at camp, we work very hard to create an environment where our Lord and Savior can produce profound changes in the lives of those who attend and this year is no different. A new application is required each year even if you've been to camp for the past 30 years!

Completing these forms (application, SDCF Liability Release Form, & PCCC Release Form) is a requirement for service and because of the nature of this being a ministry to youth and children, the camp directors reserve the right to turn down requests to serve. We would prefer that you go to the camp website and complete the volunteer application on-line (www.mtpalomarbiblecamp.org).
